ADMINISTRATION - DIVISION OF GAMING

Raffle Ticket Authorization

Motion:

Move to (a) authorize the sale of raffle tickets that allow for equal shares of a single ticket to be sold to one or more purchasers under a Class A raffle license; (b) provide that the sponsoring organization be required to purchase any unsold shares of a ticket; and (c) provide that no raffle ticket sold under a Class A license may exceed \$100 in cost. Provide that the provisions become effective on the first day of the third month beginning after publication. Require the Department of Administration to promulgate administrative rules relating to the sale of such tickets.

Note:

Under current law, there are no provisions for equal shares of a single raffle ticket to be sold to multiple purchasers. The motion would authorize such tickets. Under current law, no raffle ticket sold under a Class A license may exceed \$50 in cost. A Class A license relates to the conduct of a raffle in which some or all of the tickets for that raffle are sold on days other than the same day as the raffle drawing. The motion would change this maximum cost to \$100.
